The Shelbyville Sentinel says: The
Country press is the bulwark of the
nation. Long may it wave.

It strikes the News that a bulwark
that waves is not a very strong de-
fense.

Incident to the observance of Me-
morial Day there were notable gath-
erings. At Gettysburg the Govern-
ment monument erected in memory
of the soldiers of the regular Union
army who participated in Gettysburg
campaign was dedicated. The principal
address was made by President
Taft, while the daughter of the Pres-
ident, Miss Helen Taft, released the
veil that has covered the statue.

In a late speech to the Senate the
Hon. Thomas H. Paynter paid his
respects to the tobacco combination
in the following language:

The facts show that the tobacco
combination is a commercial pirate
carrying a black flag, dealing death
and destruction to all competitors in
the manufacture and sale of tobacco
and reducing those who grow it to
penury and want. The death struggle
of the expiring competitors has
not caused it to hesitate; nor have
the tears and suffering of the ten-
ants, white and black, who produce
the article upon which it feeds and
fattens, excited its compassion.

Misses Zada and Mary Tarman, of
Buchanan, are at Yatesville visiting
their cousin, Miss Hattie Carter.

The village of Zephyr, Tex., was
wrecked by a tornado. A zephyr in
the path of a tornado has very little
show.

Dan Davis, president of Paintsville
National Bank, was painfully injured
last Thursday by falling and striking
the back of his head against a stone-
step. He was unconscious for sev-
eral hours and it was at first feared
he was fatally injured. He rallied,
however, and is now greatly im-
proved.

Elijah Brown, a blind boy from
Lawrence county, is gaining fame
as an all round athlete. He is a
student at the Kentucky Blind In-
stitute, in Louisville, and he has
been the leader in his school's win-
ning several notable track meets.

The NEWS called attention to
young Brown's work last year and is
pleased to notice his success this
year. Mr. Brown, Sr., lives in the
upper end of the county, not far
from the Johnson line.

A Cough Medicine

Ayer's Cherry Pectoral is a
regular cough medicine, a
strong medicine, a doctor's
medicine. Good for easy
coughs, hard coughs, desper-
ate coughs. If your doctor
endorses it for your case, take
it. If not, don't take it. Never
go contrary to his advice.

We publish our formulae
We banish alcohol
from our medicine
We urge you to
consult your
doctor

The dose of Ayer's Pills is small, only
one at bedtime. As a rule, laxative doses
are better than cathartic doses. For con-
stipation, biliousness, dyspepsia, sick-
headaches, they cannot be excelled.
Ask your doctor about this.

UNITED STATES COURT.

Proceedings of the Term Being Held
at Catlettsburg.

During the recent term of the
United States Court held at Cat-
lettsburg many indictments were
found. Here are a few:

Ed. Newsome, making and selling
whiskey.

Alex Dutton, seven counts. Plea
not guilty.

Harvey Dutton, seven counts. Plea
not guilty.

Ben Black, working in an illicit
still. Pleaded guilty to the charge,
and will be allowed to go home and
work this summer, return in the
fall, and receive sentence, this being
granted if the proper bail is fur-
nished.

Andy Brown, pleaded guilty and
was granted same leniency as Black.
George Howard, retailing whiskey,
plea not guilty. Trial entered into
this week.

John Mullins, indicted on seven
counts. Pleaded guilty to selling
whiskey.

Dave Hall, seven counts. Plea not
guilty.

Fred Newsome, pleaded guilty to
distilling liquor.

A large number of those convicted
in the revenue cases this court are
men of families, or have others de-
pending upon them for their living.
Some have farms and of course, if
they serve sentence now this will
have to be neglected. In view of
this fact that Judge Cochran has
allowed twelve of them to furnish
bond and return to their homes this
summer, make their crops, and re-
turn at the next regular term in
December for their sentences. This
is something unusual, and naturally
all feel kindly toward the court for
this action. Those that have been
allowed this privilege are:

Bud Roberts, Sheridan Thomas,
Joe Mays, W. H. Crisp, Sam Little,
Wm. Roberts, Columbus Johnson,
Mark Bryant, John Hall, Winston
Sparkman, May England, Paulard Col-
ling.

Below is the remainder of those
convicted at this term, but as yet
have not been benefited as those
mentioned above.

Jackson Kelly, Perry Welford, Car-
ney Keels, Louis Fulton, Shade Por-
ter, Albert Jesse, Harmon Adams,
Masten Mullins, Dow Frazier, James
Aythur, Willie Johns, Walter Gar-
rett, Grace Wicker, Wm. Smith and
R. B. Wicker.

Wednesday afternoon completed the
trial of the large number of cases
on hand against men charged with
violation of the revenue laws. One
of the last cases to be tried and
sentence imposed was that of the
United States vs. Fred Newsome. The
defendant pleaded guilty to running
an illicit still and was accordingly
fined \$1,000 and sentenced to six
months in jail. But here again the
kind heartedness and good judgment
of His Honor, Judge Cochran, was
displayed.

A physician's certificate was pre-
sented, which stated that Newsome
was in a very bad stage of the
dreaded white plague, and a look at
the unfortunate fellow would readily
indicate the same. On account of
this, and wanting the man to have
fresh air and exercise that he might
live as long as possible, Judge Coch-
ran suspended the sentence.

The accidental drowning of five
girls in the Hackensack river, New
Jersey, when a gust of wind upset
a rowboat in which they were cross-
ing, and the multitude of similar
accidents every summer, call atten-
tion to the importance of learning to
swim. Girls can swim as well as
boys, and every girl ought to find
opportunity to learn how.

Madge.

Our farmers are now actively en-
gaged in corn hoeing. The acreage
is much larger than usual.

Corn is king and farmers love the
golden grain. The sons of toil in the
agricultural field are sick and tired
of waiting for those good times that
were to come. I suppose you have
about gotten the scales from your
eyes, as good times is a thing of
the past.

Quite a number of our young folks
attended Sunday School at Ever-
green and have been enrolled as
members. They like the school very
much.

Mr. and Mrs. John J. Thompson
were in Louisa Thursday. Mrs.
Thompson was having some dental
work done.

Garfield Roberts and son, Harry,
attended the circus in Louisa the 27.
Miss Lizzie Carter was shopping
at Busseyville Wednesday.

Mrs. Martha Meek was the guest
of her niece, Mrs. H. W. Bussey, last
Sunday.

2ND WHIRLWIND CAMPAIGN

For the Cause of Education in Ken-
tucky Will Open June 27th.

Prof. J. G. Crabbe, State Superin-
tendent of Public Instruction, sends
out an article on the second "Whirl-
wind campaign" for the cause of edu-
cation in Kentucky, which will be
held the week of June 27th. The
communication from Superintendent
Crabbe reads:

The second "Whirlwind Cam-
paign" for better education in Ken-
tucky has been planned for June
27th-July 3rd, and will be bigger,
better and more thorough than the
former campaign. It will cover the
entire State, both city and country,
with special reference to the rural
community. The campaign will open
Sunday, June 27, when every minis-
ter in the State will be asked to
deliver an address on "Public Edu-
cation in Kentucky," from his own
pulpit. The regular speakers—one
hundred strong—will begin active
work on Monday, June 28. In nearly
every instance each speaker will
cover two counties. His work will
be reinforced by local speakers and
every community will have an oppor-
tunity to participate in the great
educational movements which are
sweeping over Kentucky.

One of the most import events
of the campaign in each county will
be the "Rally Day." This should be
the greatest event in the history of
the county. An all-day, open-air
meeting with music and marching
and special entertainment has been
planned to take place in each coun-
ty seat. Let every business man—
every busy man—every Kentucky
woman attend the big meeting. All
teachers, trustees and school chil-
dren should attend this meeting and
they should be joined by every one
who is interested in the children of
the Commonwealth. Many of the
past noted men in the political and
official life in Kentucky have been
asked to deliver addresses on the
occasion and every effort will be
made to make it a gala day.

A great conference of the speak-
ers and superintendents has been
planned to meet in Frankfort prior
to the opening of the campaign, and
a complete review of the work of
the campaign will be made and a
uniform plan of action will be de-
cided upon. The entire purpose and
scope of the work will be discussed
and a uniform plan will be agreed upon
and all speakers will be asked to
work in unison.

One important change in the plan
of the coming campaign will be the
shifting of the bombardment from
the city to the rural community.
Most of the campaign of 1908 was
devoted to the cities and small towns
while that of 1909 will attempt to
reach rural school conditions. As a
rule cities have good systems of edu-
cation already and every effort will
be made to bring the standard up
to the rural school.
